

R 402 FOOD PROCESSOR

**Your ally in any kitchen,
even the smallest!**

Both compact and multi-functional, the Robot-Coupe R 402 Food Processor ensures a wide range of “homemade” preparations quickly and effortlessly: sauces, minced meat and fish, chopped onions, herbs and spices, ground nuts and chocolate, praline, kneading, etc. Plus, up to 28 different cuts for fruits and vegetables, not to mention French fries and dicing!

Now you can mince 1.5 kg of meat in two minutes and grate 4 kg of carrots in one minute. For extra versatility, it even features the Juice & Coulis extraction function and a citrus press. Its discs and other accessories are dishwasher-safe.

Make your everyday cooking simpler!
