**Your everyday ally,
even in the smallest kitchen!**

**FOOD PROCESSOR
Cutter & Vegetable Slicer**

Chefs and Cooks in cafés, pubs, salad bars, sandwich shops and local eateries - you can make life easier with the Robot-Coupe Food Processor!

With this 2-in-1 Cutter and Vegetable Slicer, food preparation is made quick and easy:

- **Just 3 minutes to cut up 5 kg of vegetables** in every imaginable way (sliced, grated, ripple cut, julienne and many more.)
- **Just 1 minute to mince 2 kg of meat**, but also chop onions, fish, herbs and spices.
- You can also grind nuts and chocolate, prepare sauces and knead dough.

Some models even have an optional Citrus Press or a Juice and Coulis Extractor which means no more sifting and straining.

Made from heavy-duty materials, your Food Processor will still be going strong in many years to come! Super practical, it goes in the dishwasher. Compact, it fits into any kitchen, even the smallest.

Save time now without giving up “home-made”! The ideal solution for small restaurants that are often understaffed.
